22nd September 2026

Dear Parents and Carers

KS2 Maths Revision Guides

As you will be aware, the KS2 National Curriculum tests in English and maths take place during the week commencing 10th May 2027.

Over the coming months, we will be helping your child prepare for these assessments in school. All pupils currently have access to TT Rockstars, Spelling Frame and SATs Boot Camp as online resources. Your child's English and maths teachers will continue to set home online learning to support test technique and revision of key skills.

Additionally, we would also like all pupils to have a maths revision book - 'Ready? Set? Go! The Ultimate KS2 Mathematics Guide'. This will further support the revision taking place at home in the run up to the assessments. Priced at £6.00, the textbook is heavily discounted when purchased through the school and the maths department will be setting targeted revision through the guide to support your child's gaps and consolidation of learning.

If you would like to order this book, please make a payment of £6.00 through ParentPay by Friday 9th October 2026. Any pupil eligible for Pupil Premium will not be charged and the revision guide will be ordered automatically for them.

We will be providing further information in the new year to support your understanding of the KS2 tests and how you can support your child. More information will follow.

Thank you for your ongoing support.

Mike Horton
