Dear Parents and Carers

I am delighted to welcome you and your child to our Bredon Hill Academy community; thank you for choosing our school. Our school motto is 'Learning Together for Success'. Through effective collaboration, we nurture a fully inclusive culture where our young people can thrive within a safe, happy and inspiring environment.

Starting middle school is a new and exciting journey. At Bredon Hill Academy, we run as a secondary school, where our pupils follow their own individual timetables and are taught in specialist rooms by specialist teachers. We offer an ambitious curriculum to ensure that we provide new challenges and new opportunities.

Further information about our school can be found on our website. There is also a dedicated section for our new parents and carers [here](#). If you would like regular updates about what is happening within school, you can follow us on Facebook and X – '@BredonHAcademy'. For any families who have previously had pupils with us, I would like to draw your attention to some small changes made to our [uniform policy](#), which have been brought in for September.

Our Transition Day will take place on Wednesday 24th June 2026 when we look forward to welcoming all of our new Year 6 pupils into school to spend the day with us. In the evening, there will be a meeting for new parents and carers. Timings and further information will be emailed to you nearer the date.

Your families are also invited to our 'Mad Hatter's Tea Party' on Saturday 11th July between 3pm-7pm. Our whole school and the wider community have also been invited to this event, which will include a range of stalls, performances and demonstrations - there's something for everyone!

In the meantime, we have started our transition process to ensure that your child makes a smooth move from their current school to Bredon Hill Academy. This will include gathering data, visiting schools, liaising with colleagues and co-ordinating additional transition events for those who may benefit. So that we have the most up to date information about your child, [please can you complete a secure electronic form for them here](#). If you have more than one child joining us, please complete a separate form for each. Please note, if you indicate your child has a medical condition, asthma or an allergy, will we send you a separate form to complete for these medical conditions via email.

Once again and on behalf of all of the staff, I would like to welcome you to our wonderful school community and we look forward to getting to know you and your child over the next three years.
