1. What have we fulfilled from last meeting?

We had donuts to raise money for CinN

We had Christmas Jumper day to raise money for charity

School disco had biggest ever attendance (310 pupils)

Buddy system – reading buddies working well giving support and building friendships

Homework – English booklets being used in a different way and pupils finding it easier to cope with

2. Moving forward into 2023

If there is another disco separate into Yr groups or KS2/3 to avoid overcrowding

Chillout area in dining hall at disco – so pupils can take some time out

Club ideas – Basketball, benchball, food (after school) – other after school clubs

PE – come to school in kit on PE days

Double PE like double DT

If doing outdoor/indoor lessons, do both in a week rather than one outside and one inside

Yr8 to get on buses first – as Y6&7 are taking back seats and not letting people sit down on spare seats

Add some markings on the new section of playground – e.g. hopscotch, etc
