

School Council Meeting – 13/10/21

Minutes

1. Club suggestions: Poetry club
General Sports club (running, fitness challenges)
Craft club
Musical Theatre club

Also after school club suggestions: Gardening
Bredon bake off

We discussed the restrictions in terms of staffing and issues with after-school collection.

2. School news – podcast/newspaper or both (to be created by pupils) could then go onto website or pupils could listen in form time – possibly done on a half-termly basis.
3. Children in Need – what could we do to raise money for the upcoming event
Not allowed cake sale due to current restrictions – possibility that kitchens do same as last year.
4. Pupils to have more access/time in garden – could be seasonal activities (eg. Autumn art) based in garden
Pupils to be made more aware of friendship gardens – somewhere they can go if they are feeling lonely (some pupils are not aware of this) – maybe some advertising in form rooms and garden itself so pupils are aware.
5. Lockers/pegs – somewhere to put PE bags.
6. Careers – careers fair/opportunity for year 8 to experience/hear about various careers.
7. Extra picnic benches for Year 7 area so they don't have to always sit on floor at lunch.

I've condensed these down from the 28 items we actually ended up with.

Thank you to all the school council reps (everyone contributed).
